TSXV:KLS

NEWS RELEASE

FOR IMMEDIATE RELEASE

KELSO TECHNOLOGIES COMPLETES SUBSCRIPTIONS FOR PRIVATE PLACEMENT

THURSDAY, MAY 28, 2009 - VANCOUVER, BC, CANADA – **Kelso Technologies Inc. (TSXV:KLS and Pink Sheets:KEOSF) today announced that it has stopped accepting subscriptions to its Private Placement (first announced on December 22, 2008 and increased from \$160,000 to \$180,000 in a news release issued April 29, 2009).**

The Company again raised the Private Placement from \$180,000 to \$268,652 which is the final amount to be raised through this Private Placement.

Of the participants, two are Directors of the Company and the majority are former Kelso investors as well as personnel from sectors of the rail industry. Approximately one third of the funds were raised from participants domiciled in the United States where Kelso sells its products. Kelso is pleased to have raised \$268,652 during these unprecedented economic times.

This Private Placement, which is subject to regulatory approval, is therefore increased to 10,746,080 common shares at a price of \$0.025 per share for total proceeds of \$268,652. The investors will also be granted one full non-transferable warrant for every share purchased. Each warrant will be exercisable at a price of \$0.10 for a period of two years following the closing of the Private Placement.

The proceeds of this Private Placement have or are being used to pay the costs associated with the Company's accounting expenses, audit for the 2008 year end which has been completed, for the payment of annual maintenance fees for various Patents held on Kelso's pressure relief valves worldwide, further product research and development, filing costs, marketing and sales travel expenses. In addition, the Company will pay various expenses associated with the ongoing business of the Company including but not limited to payments to the Transfer Agent, legal advisors to the Company and other expenses incurred in the routine operation of the business.

Kelso is a customer-driven, product-solutions company and developer of the unique JS line of pressure relief valves, Manway Securement System and other rail tank car products for the rail industry.

Kelso Technologies Inc. is a public company that trades on the TSX Venture Exchange under the symbol KLS and is quoted in the United States on the Pink Sheets under the symbol KEOSF.
